

This guide is compiled from the FIDI Customs Guide for reference only. Customs regulations change frequently; please consult your Seapoe relocation consultant for the latest requirements before shipping.

Updated 2026

Removal Goods - Foreign and Colombian Citizens (non diplomats)

Documents Required

- Original AWB or two original B/Ls.
- A typewritten inventory in Spanish without values, with brands, serials, models and references of electronic items and bikes.
- Notarized photocopy of passport with visa valid at least for one year of owner or titular of the shipment.
- Residence certificate: Colombian returning citizens must prove that they lived abroad for a minimum of two years or "Certificado de Movimientos Migratorio" this document is requested for Colombian and foreign citizen.
- "Registro unico de Retornados" for Colombian returning citizens that lived abroad for a minimum three years (optional if the customer wants to apply the duties / taxes exception)
- If client is a Colombian returning citizen and wants to import his goods and only have one year or least abroad; can re-import the goods. The articles must be the same than client export (quantity of articles and volume must be the same).
- Certificate of migratory movements where the date of the last entry into the country is reflected
- Certified powers of attorney

Customs Prescriptions

- All shipments pay customs duties and taxes.
- If the Colombian returning citizen does not have the "registro de retornados", he must pay duties and taxes of 15% on the CIF value. The customer must apply directly online.
- The Customs Inspector decides the value of duties and taxes.
- Partial customs clearance is not permitted, and it must be done at airport or port of arrival.
- Time limit for arrival of household goods is 30 calendar days before or 120 calendar days after arrival of owner.
- Only one shipment of household goods can be imported per family each five (5) years. Art. 279 Dec. 1165 /2019.
- One unit of each electrical domestic appliance is allowed except for TV's.
- The shipper can bring one TV per family member, without exceed the commercial quantity.
- It is very important & MANDATORY that the inventory list indicates brand, model, reference and serial number of each electrical appliance and bikes.
- The packing list MUST be typewritten by computer.
- Please check the list of items allowed.
- Shipper must be in Colombia in the moment
- of customs clearance, because original passport could be required by the customs authorities.
- Firearms, collection weapons, import prohibited unless an approved authorization from Colombian Ministry of Defence is given BEFORE shipping.
- Medicines, Vitamins, toiletries, food or drinks (dry food, liquor, spices), live plants, batteries,

drone, motors, gas tanks, trailers, weapons, chemicals (detergents, paints, flammable or corrosive substances), compressors, tires, vehicle parts / spare parts, security cameras, electric bicycles or electric scooters, hoverboards, building materials (floors, parts of walls), power lawn mowers, gas BBQ, vehicles, motorcycles, golf cars, quad bike, specialized tools or industrial use tools, cell phones and any item in commercial, new articles are prohibited to import into the shipment. Customs does not consider them as part of a shipment.

Remarks

- People less than 18 years old are not allowed to import household goods.
- Once the physical customs inspections are done, the customs officer will calculate the value of the goods on which duties and taxes are charged.
- The customs officer will immediately apply the customs penal code (confiscation of goods) in the following cases:
 - Excess of the allowance authorized electric appliances in a commercial quantity).
 - Destined for different purposes to those for which goods were imported.
 - Arrival outside the established period of time 120 calendar days after or 30 calendar days before.
- Never send a vehicle or a motorcycle along with household goods before consulting the agent in Colombia.
- No commercial quantities are allowed.
- If Colombian returning citizens have not been living abroad for the requested time for the import process in Colombia, they will have the following options:
 - "re-importation" attaching export household documents (Export declaration, BL with freight value or freight invoice and packing list). "Reimportation" process: the items to import
 - must be the same items exported from Colombia, the weight, volume and packages number must match.
 - DTH original for the Colombia returning citizen with diplomatic mission abroad.
- If the shipment is composed of two or more containers these must be sent under the same OBL, because partial customs clearance is not permitted.
- Drones should not be included, as they may be confiscated and cause delays in the customs process.
- For electronic/electrical devices and bikes, include serial number, references, brands, models.
