Customs Prescriptions

- For all imports of household goods into Madagascar strict compliance is required for customs regulations to avoid paying the import duties which are around 46% of the cost and freight.
- For a tax-free removal procedure for foreign nationals, the green light for shipment can only be given once the client has arrived in Madagascar and is aware of the date of issue of their

long-stay visa in Madagascar.

- The customs regulations in Madagascar are complex and you must be sure to request the approval of your agent at destination prior to shipment. The list of documents is not exhaustive and Malagasy customs reserves the right to request further documentation.

Remarks

- Please note that the customs authorities in Madagascar operate an SGS managed cargo tracking system (CTN / BSC) for ALL NONDIPLOMATIC SHIPPERS.
- The origin agent must provide the destination agent with final Sea or Air Waybill and a valued HHG export customs declaration entry from your customs authority customs as soon as the shipment has left.
- While the destination agent is ready to assist with the tracking process, it is the ultimate responsibility of the shipper to proceed with this process – see <http://www.bscmg.sgs.com/>
- The containers are scanned at the port but are not subject to a customs inspection except in cases of force majeure

❑ Prohibited and non-duty exempted items

Customs Prescriptions

- Firearms and ammunition
- Any new items (used HHG / PE only).
- Household / garden tools are subject to import duty even if used.
- Non-prescription drugs
- More than 1 type appliance per shipper i.e. 2 hair dryers not allowed
- Vegetable matter of any kind
- Pornographic materials of any kind
- Foodstuffs
- Animal skins
- Alcohol (only admitted in limited quantities)

Remarks

- Alcohol, tobacco, and cigarettes are admitted tax-free but in limited quantities: - 2 liters of whisky - 2 liters of champagnes - 4 liters of wine/sparkling wine - 4 liters of liqueur - 2 cartridges of twenty packs of cigarettes - 50 units of cigarillos and cigars
- 250 units of tobacco.

❑ Vehicle

Documents Required

- Registration certificate (carte grise) of the vehicule/motorcycle more than one year in the country of departure
- For foreigners, long-stay visa strictly longer than one year in Madagascar for tax exemption procedure
- Vendor invoice is required for new vehicles.

Remarks

- Importation of vehicles with right-hand steering wheel is not allowed in Madagascar.
- See notes under 'Household Goods'.
- For all non-diplomatic shippers' vehicles are unloaded from the sea container at the port of entry and subject to Gasynet inspection in port before delivery to Antananarivo by a special vehicle carrier.
- Please note that the inspection process is lengthy and will probably lead to port storage charges.

- These charges must be settled in full by the shipper before delivery.
