

OMAN

This guide is compiled from the FIDI Customs Guide for reference only. Customs regulations change frequently; please consult your Seapoe relocation consultant for the latest requirements before shipping.

Updated 2024

Removal Goods – HHG/PE

Documents Required

- Passport (clear copy) including the page where Oman visa is stamped.
- Signed Bayan Authorization
- Residence Card copy front and back issued by ROP (ROYAL OMAN POLICE).

Customs Prescriptions

- 100% inspection on all shipments.
- Personal effects are subject to be open for inspection by custom authorities.
- Normal customs clearance for export takes 1-2 working days for sea and 1-2 working days for air. Fridays and Saturdays Customs will remain closed.

Remarks

- Oman Customs has introduced an E-Clearing system called "BAYAN".
- All documents are to be electronically submitted.
- All personal effects and cars shipments for exports in Oman must pass this system.
- The shipper has to get him/her registered at the customs; this can be done by him/her if in Oman or by their local agent who approaches DG Customs at Custom house. The authorization has to be signed manually. DG Customs will not accept electronic signature.
