

U.S. OF AMERICA

This guide is compiled from the FIDI Customs Guide for reference only. Customs regulations change frequently; please consult your Seapoe relocation consultant for the latest requirements before shipping.

Updated 2024

Removal Goods – HHG/PE

Documents Required

- Clear copy of passport
- EIN (employer identification number) required only for US Passport holders (to be reconfirmed with your local agent, and is not applicable to air shipments)

Auto

Documents Required

- Original, lien-free, vehicle title.
- If the title has a lien, you must have a notarized letter from the lien holder authorizing the vehicle for export.
- Power of Attorney, depending on the port of export (to be confirmed with your local agent).
- EIN (employer identification number) required only for US Passport holder.
- Clear copy of passport.

Remarks

- Each port of export has different requirements, therefore we recommend that you contact the US Customs office at the port of export for confirmation.
